SKS70020

Application:

2003 and newer axles use Lock Pins.

For pre-2003 axles with Screw-In Lock Bolts, apply Thread Lock and torque to 20 ft/lbs.

Steer King products are engineered to be long-lasting and are known for hassle-free installation, which saves time and boosts productivity for both shops and truck owners.

Steer King™ is an ATRO® brand. Our parts backed by the industry's best warranties and they're built with pride in St. Clair, Missouri by a team who cares about delivering a quality product for you.
