## Kit Box and Parts Tray

Steer King kits are a game changer.

The quality of a Steer King kit is evident right out of the box. Each component is carefully arranged and hand-packed in our box and parts tray, so you have exactly what you need, where you need it for faster, easier installation and time savings.

## Packaging with a purpose.

The best box in the business keeps getting better.

Our exclusive "Mechanic's Tray."

- Easy lift out of the box.
- All the parts you need, in one place.
- Parts are clean and organized.
- Keeps parts contained and protected during installation.

QR Code on the box.

- Fast access to installation instructions.

Easy to handle.

- Strapping on every box.
- Our kit boxes are balanced, easy to pick up, move, and store on shelves.

Labeling: part numbers and details.

- Clear, easy to read end labels.

Steer King products are engineered to be long-lasting and are known for hassle-free installation, which saves time and boosts productivity for both shops and truck owners.

Steer King™ is an ATRO® brand. Our parts backed by the industry's best warranties and they're built with pride in St. Clair, Missouri by a team who cares about delivering a quality product for you.
