### ATRO Kits One click. One pick.

High quality repairs made easy.

ATRO kits streamline the repair process with easy ordering, simple picking, and all parts in one box for a complete repair.

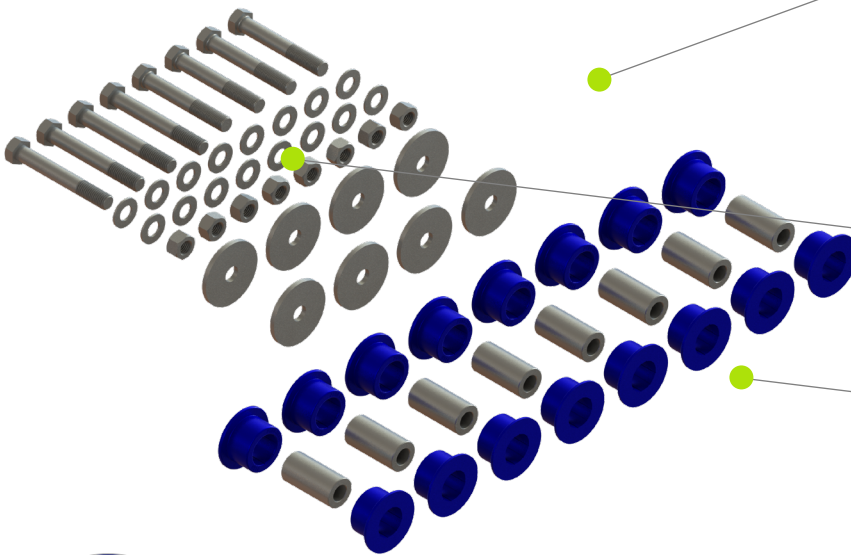

CM46-61001 (CAD Rendering)  
Cab Mount Kit

- ATRO polyurethanes are 3-5 times stronger than rubber.
- Resistant to oils, grease, road salt, and other chemicals.
- Specific compounds optimize the performance of each part.

### Quality and efficiency in every job.

Make repairs faster, easier, and more reliable.

Streamline the process.

With one click on a part number, and one pick from stock, you will:

- Get all the parts you need in one box.
- Stop finding and combining individual components.
- Process repairs more efficiently.
- Save time and cost on every install.

New fasteners for proper torque.

- Most kits include new fasteners.
- No need to re-use old parts.
- Proper torque means a better repair.

Industry best warranty.

- Most kits include our 3-year warranty.
- You can trust ATRO Parts to perform better and last longer.
